

# Hope Starts Here

Fast access to mental health, addiction, and primary care —  
TennCare and uninsured welcome.

**Call to start care or make a referral**

**615.743.1555**

## Our Services

### Adult Mental Health

Whole-person mental health care, including therapy, psychiatry, and care management.

### Substance Abuse

Medication-assisted treatment including Suboxone access.

### Community-Based

Care management, homeless outreach, and criminal justice liaison services.

### Children, Youth & Family

Support for emotional, behavioral, and family wellness needs.

### Primary Care

Coordinated medical and behavioral care under one roof.

### 12 Convenient Locations Across Tennessee!

Serving more than 40,000 Tennesseans and counting.

## How it Works

### Reach Out

Call or walk in.  
No wait. No barriers.

### We Listen

We understand, explain,  
and connect to care.

### Get Care Fast

Tailored care, support for  
basic needs, all in one place.
